New for 2011!

Muth Youth is excited to announce a partnership with the FHS varsity coaching staff! Head coach Tim VanWormer has expressed interest in joining forces with our Muth Youth coaches to provide consistency in the Frankenmuth football program from youth football through to the high school level. Coach VanWormer has offered to teach a coaches clinic this summer detailing key plays and concepts with our coaching staff so that we may use like terminology and teaching methods with our players. Muth Youth is grateful for the support and interest of the FHS football staff, as we know a partnership with them will greatly benefit each program.

Football Head coaching applicants only:

I, (print name) _____, a Frankenmuth Youth Football Head Coach applicant, understand and accept the fact that the basic offensive scheme as outlined by Coach Tim VanWormer and his staff will be incorporated into my team's playbook. I will make every effort to teach the same backfield naming convention, hole numbering, and play calls. I will participate in the coach's clinic that will take place this summer and will transfer that knowledge to my coaching staff and the football players that will play on my team. Basic football fundamentals including blocking, tackling, throwing, catching and running as outlined by the High School Coaching Staff will be taught. I understand that their support will best benefit the individual football player and the overall High School Football Program in the long term. (Signature) _____
